ISO 14001:2015 REVISION INTRODUCTION TO ISO/FDIS 14001

WHEN YOU NEED TO BE SURE

- ISO 14001 Revision process
- Changes to ISO 14001
- Transition
- How SGS can support you

- ISO/FDIS 14001

- Issued 02nd July 2015

- Penultimate stage in the revision process

- ISO 14001:2015 to follow. Scheduled for September 2015

- ISO website

<http://www.iso.org/iso/tc207sc1home>

- Structure (Annex SL) & Terminology
- Emerging Changes

- Annex SL (High Level Structure)
- Framework for all new and revised ISO Management System Standards
- Standardized structure format
- Common text and requirements in many areas
- Also used for ISO 9001 revision

- Strategic Environmental Management
- Leadership
- Protecting the environment
- Environmental performance
- Lifecycle thinking
- Communication
- Documentation

- Organization and its context
- Needs and expectations of interested parties
- Actions to address risks and opportunities

- Top management shall demonstrate leadership and commitment to the EMS
- Specific actions in which Top Management is involved
- Responsibility may be delegated but Top Management must retain accountability

PROTECTING THE ENVIRONMENT

- Commitment to the protection of the environment,
-including prevention of pollution and others ...
- Others: sustainable resource use, climate change mitigation and adaptation, and protection of biodiversity and ecosystems, etc.

- Enhance Environmental Performance
- Performance related to environmental aspects
- Evaluate performance (indicators)

- Identification of environmental aspects/impacts using a life-cycle perspective.
- A detailed Life Cycle Assessment (LCA) is not required
- Control & influence

- Emphasis on internal and external communication
- Equal treatment
- Decision about external communication is up to the organization
- Consistent and reliable communications

- Documented information vs. “documented procedures” and “records”
- Procedures may be documented
- Any media and any source

- ISO/FDIS 14001.....
 - Increases the strategic approach in environmental management
 - Includes updated environmental terminology and concepts

- Transition period: Sept 2015 -> Sept 2018
- ISO 14001:**2004** certifications will expire after transition period
- Recommended actions:
 - Identify gaps
 - Implementation plan
 - Training and awareness
 - Update the existing EMS and verify
 - Liaise with your Certification Body for transition

- Training
 - ISO/FDIS 14001
 - Annex SL
 - Risk-Based Thinking
 - Empowering Leadership
- Needs Assessment/Gap Analysis
- Certification (FDIS and ISO 14001: 2015)
