

# JUVENILE PRODUCTS SAFETY FORUM

**OCTOBER 19-23, 2020**

**14 WEBINARS  
(30-MINUTE  
PRESENTATION +  
Q&A) IN ONE WEEK**

**REGISTRATION  
OPEN!**

Embracing the next normal, we are running the SGS Global Juvenile Products Safety Forum online offering you the chance to tap into our expertise from the safety of your remote workplace.

Register now for our webinar series focusing on the safety of juvenile products.

- Pick the topics that interest you now or may be of use in the future – attend our live sessions or listen to the webcasts later
- Refresh your knowledge and improve efficiency for your upcoming product developments – we will cover new regulatory requirements, hot topics, market focus and some new SGS services
- 12 SGS experts around the world will share their expertise and be available to answer your questions
- Guest speaker: JPMA association
