

Are you Brexit ready?

UK SUBMIT COSMETIC PRODUCT NOTIFICATION PORTAL (SCPN)

If you place cosmetic products on the market in Great Britain, you need to act now to ensure that you will comply with changes that take effect at the end of the transition period on 31 December 2020.

- Products placed on the GB market for the first time from 1 January 2021 must be notified on UK SCPN.
- Products previously notified on EU CPNP and made available on the UK or European Economic Area markets prior to 31 December 2020, must be notified on UK SCPN within 90 days from 1 January 2021.
- EU CPNP notifications will no longer be available to a GB Responsible Person after 31 December 2020. It is strongly recommended that a copy of all GB Responsible Person notifications be downloaded before then.
